Innovation Capacity in Cultural Heritage
Virtual Reality Applications**

1st eHERITAGE workshop and awareness day held under the Information Society 2016 and the completion of 3 other short external stages

The first workshop of the eHERITAGE project took place within the 19th international multi-conference Information Society (IS2016), having a special section, during the 11th of October, at the premises of the Jožef Stefan Institute - <http://is.ijs.si/conferences.php>. The awareness day followed one day after, on the 12th of October, where several VR stands were presented by the eHERITAGE consortium to the general public.

Related to the short external stages, another 2 researchers and 1 professor from University Transilvania of Brasov (Butila Eugen, Boboc Razvan and Antonya Csaba) joined the staff of the Jožef Stefan Institute, in Ljubljana, Slovenia, during 25th of September – 15th of October. They have collaborated with the JSI personnel, focusing on information transfer and dissemination activities and preparing the eHERITAGE workshop.
