## **H2020 Coordinators' day and eHERITAGE related activities**

The coordinator of eHERITAGE participated at the Coordinators' Day which took place on the 14<sup>th</sup> of February, 2017, at EU's Charlemagne Building in Brussels, together with many other H2020 project coordinators. Several administrative issues regarding the interim reports were discussed.

On another note, our team has managed to submit a paper to one of the most prestigious peer reviewed Elsevier journals, the Journal of Cultural Heritage.

Finally, we've fruited the chance to submit the proposal INtelligent approaches and interfaces for European Cultural Heritage Analysis (INECHA) to the H2020-SC6-CULT-COOP-2017 call - Understanding Europe - Promoting the European Public and Cultural Space.
