eHERITAGE participates to events and hits national news

During October, 2018, our team has participated to the following events:

- European Researchers' Night 2018
- ENCATC 2018 Congress
- Interview with the shooting team from Observator/Antena 1.

3 members of our team (Mihai Duguleană, Postelnicu Cristian and Voinea Daniel) participated to the 2018 ENCATC Congress on Cultural Management and Policy, which took place between 26-29 September, in Bucharest, Romania. The aim of this event was to provide an opportunity for academics, trainers and researchers from the cultural management and policy educational fields with cross-disciplinary interests to mingle with professionals, policy makers and artists and thus to bridge the knowledge gap, promote research esteem and the evolution of pedagogy.

eHERITAGE is also a full member of the ENCATC organization. During this event, we got the chance to meet wonderful people who share our interest on cultural heritage. We are confident we will capitalize on this activity in the near future.
